## DEDICATION

TO... MISS JOSEPHINE STONE

Probably the best friend Beebe Junior College ever had is a lady well known to all of us --- Miss Stone.

For nearly 10 years Miss Stone has loyally served her school and her community. This year brought a new name to the school, Arkansas State College-Beebe Branch; with the new name came new problems and difficulties. Miss Stone faced these problems with the same tireless energy she has had in the past. Miss Stone is recognized as a truly outstanding teacher in her field; anyone who has ever met her never forgets her quiet, forceful dignity, her genuine kindness, and sincere interest in her work. And so, it is to you, Miss Stone, that we of the annual staff dedicate this book as a token of appreciation --- because we feel you so richly deserve it.
